

Research Pricelist, hourly rates 2025

Karolinska University Hospital

The Pricelist covers hourly rates for research personnel specified per profession/role and day-, night shift. It also covers hourly rates when working hours cannot be specified. Please note that Karolinska University Hospital adds an overhead on all external research costs of 15%.

If you have questions regarding the Karolinska University Hospital pricelist, please contact the Research financial support unit, forskningsstod.karolinska@regionstockholm.se
